Subject: Request for Permission to Participate in AKTU Zonal Events

Respected Sir/Madam,

With utmost respect, I, Anamika Tiwari, a student of BTech III Year (CSE, A3), kindly seek your permission to allow the students of MPEC to participate in the upcoming Technical, Literature and Management AKTU Zonal Events, which are scheduled to be held from the 27th to the 30th of November at Allenhouse Institute of Technology, Kanpur.

We have been preparing diligently for these events and have already completed all necessary registration documents. We are highly enthusiastic and motivated to represent our college on this platform. However, we understand that there is a shortage of faculty available to accompany us. In light of this, we assure you that our team can manage the visit independently, as the zonal center is located in Kanpur itself, which makes the logistics much simpler.

We kindly request you to grant us this opportunity to represent our institution and make you proud. It would mean a lot to us, as we have put in great effort and are sincerely looking forward to participating.

We hope for your kind consideration and approval.

Yours sincerely,
Anamika Tiwari
BTech, III Year - CS-DS (A3)
